

## Set Lighting

Warner Bros. Studio Facilities Set Lighting encompasses equipment rentals and services. With technology continually advancing, our rental inventory ranges from traditional incandescent product lines, the latest in HMI (electronic technology), LEDs, Moving Lighting and Max Movers. We offer lighting packages for feature, television, video and commercial production.

Our team of professionals is well versed in all aspects of production lighting. We offer assistance in scheduling and booking skilled production electricians.

Give us a call for a competitive quote on your next project.
