

**studio [space]**

Conveniently located in the Warner Bros. Photo Lab

4000 Warner Boulevard Bldg.#44 LL Burbank, Ca. 91522 [www.wbphotolab.com](http://www.wbphotolab.com)

[www.wbphotolab.com](http://www.wbphotolab.com)

**studio [space]**

Located at the historic Warner Bros. Photo Lab convenient to Film and Television stages. The Photo Lab has created a small studio space perfect for still photo shoots as well as small video productions needing a quiet space on the studio lot. The shooting area includes basic still studio strobes, make-up changing room as well as computer room. There's also access to the Photo Labs' online photo approval system. Call the lab today to schedule your visit and book your first photo shoot!
